Ref.: File-#47.

1. In view of interest in Subject, we are forwarding the following snippet obtained during a conversation with ALVIN's CO chief.

2. Subject, of 40, is an old protege of Subject's. They were together in Prague; subject, when he obtained his CE post on the eastern front, called SCHAFER to assist him. Lately SCHAFER has been visiting Subject about every two months to keep tabs on him for ZIPPER; which hope to reactivate, through him, some of his pre-Anschluss contacts, made when Subject was a secret GDR officer in Austria.

3. Subject, according to 40, is married to a wealthy woman, whose toy factory keeps Subject adequately supplied with funds. According to 40 one of the reasons that ZIPPER hasn't pushed more aggressively up until now is that Subject, though a good CE man, is "expensive"; ZIPPER has anticipatory fear of his expense account. 40 remembers Subject's visit to the front with a private car and private berber (to be well groomed always!).
